

# The Original Mustache- Catalog 2013

Every now and then you find yourself in a situation where you need to let go and be silly during certain events - Halloween, parties, festivals, office/school gags... Here is the solution for all occasions - The mustache.

With its special grasp attachment it slides onto the nose bridge. Because of the soft pliant material you almost don't feel it at all. The result is the perfect combination of foolish elegance. It fits in any pocket and can be steady at your wallet - just waiting for the right opportunity.
